Received REVENUE SECRETARIAT 28 JUL 1947

Sir, —

Subject - Construction of Municipal Stores in the Municipal Office Coumpound.

I have the honour to state that there is at present no building provided as such for the Municipal stores Two or three stalls of the Motor garriage are being used as store rooms and the lorries are - actually being parked in open air exposed to wind and rain. Even in these rooms miscellaneous articles like, oils gang materials etc , only are kept and most of the big iron and wooden materials such as poles etc , are dumped in the Town Hall compound without sufficient ~~xxxxxxxx~~ security.

The Government have recently sanctioned the establishment of a Central Stores in their order No L 11584-6 Ml 11-46-118 dated - 24-2-47 and in pursuance of the are all the things relating to the Municipality are to be kept in one place to facilitate proper accounting and watch. Hence a good accomrodation for the stores is an urgent necessity

Taking all these things into consideration, the Council have, at their meeting held on the 18th June 1947, sanctioned an estimate for Rs 20,000/- for the construction of a stores in the Municipal Office compound out of a loan of Rs 15 lakhs proposed to be obtained from the Government for several works for which a separate reference has been made.

In enclosing the copies of the resolution sanctioning the - estimate as well as that relating to the obtaining of the loan with the plan and estimate of the proposed building I request you
